

WE'RE STILL OPEN FOR BUSINESS

RBGC would like to thank all members and guests for their ongoing support as the effects of Coronavirus (COVID-19) are being felt across the world. We can assure all members and guests that we are taking a sensible and measured approach in line with the best interests of our members, staff and community.

The update from the Australian Government yesterday to limit indoor gatherings over 100 people, has been further clarified by the State Government on how these measures apply to our industry. It has been clarified that the **100 person limit applies on a per-area basis so long as the 1.5m Social Distancing requirement is met.**

As such, we have implemented the following temporary trading measures: **Our club is open for business**, with our normal trading hours applying. We have rearranged & removed seating in each area of the Club to ensure compliance and the provision of a safe environment for our Members, guests and staff. We will monitor and limit capacity to the appropriate number in each area. Staff practices within the club will display a heightened regard for the sanitation of surfaces, and staff have been trained on social distancing practices. Members, guests and staff should exhibit a heightened awareness of personal hygiene as has been encouraged by state and federal health departments. Strict guidelines for all staff to not attend work and isolate if they are unwell, or meet any of the criteria recommended to quarantine have been put in place.

Changes to club promotions & events: As a result of the limitations on gatherings Friday Entertainment, Sunday Entertainment and Monday Bingo have been temporarily cancelled as have the Friday night King Jackpot Draw.
